CLUB WILL HAVE HOME DOWN TOWN

Women Meeting With Success in Organization

Various Departments Are Organized and Have Undertaken Their Work.

HAS ONE HUNDRED MEMBERS

The Paducah Woman's club which was organized on November 15, at the Palmer House, with some thirty members, has now 100 enrolled members and just cause to feel proud of the growth and the interest being evinced in its success.

The officers are: Mrs. James A. Rudy, president; Mrs. Muscoe Burnett, first vice president; Mrs. J. C. Flounoy, second vice president; Mrs. John G. Miller, recording secretary; Mrs. A. R. Meyers, corresponding secretary; Mrs. Elbridge Palmer, treasurer.

These together with the chairman of the various departments constitute the executive board of the club.

The club is now negotiating for property centrally located for a permanent home for the club, and the finance committee which has been out this week soliciting for the purchase, is meeting with most favorable results and cordial reception of the project. In connection with the club building, when secured, there will be an auditorium which will be rented for musicals, lectures, cotillions, debut parties, etc., as is done in Louisville and elsewhere. This will not only meet a long-felt need in Paducah but will help make the club self-sustaining as well.

The club, heretofore, has been organizing but the first open meeting will be held on Thursday, January 3, at the parish house of Grace Episcopal church, which will be the meeting place until their own house is ready. This first meeting will be in charge of the department of literature and an attractive program will be arranged.

The various departments of the club, with the chairman and an outline of the work of each, show that the club is not a pleasure affair, but is for the city's uplift along broad and earnest lines of mental, civic, art, educational and philanthropic effort.

Departments.

The department of music, Mrs. James Wells' chairman, includes the Matinee Musical club, which as a whole, has gone into the Woman's club. They will endeavor to raise the musical standard by a series of oratorios given by local talent; Handel's "Messiah" on January 18, will be the first. They also pledge themselves to bring at least twice a year musical stars of the first magnitude to Paducah.

The department of art, with Miss Anna Webb for its chairman, will bring art lectures, stereopticon lectures and good pictures to the city. Miss Webb's sojourn in Washington city and journeys in Europe, make her specially fitted for this work. The first art meeting will be held the first Thursday in February and some outline of the work to be done will be given then.

The department of literature has for its chairman, Mrs. Frank Parham, co-operating with her will be the Delphic and Magazine clubs. They will arrange for high grade readings and lectures, and will have the first open meeting on January 3, in March Prof. S. H. Clark, head of the public speaking department of the University of Chicago, and said to be the best reader in the United States, will come to Paducah under the auspices of this department.

The department of education, Mrs. Henry Overby, chairman, will work with the general federation of clubs to raise the standard of education in the state and particularly in Paducah. The first thing this department will turn its attention to locally will be the enforcement of the truancy law, which the Louisville Woman's club has so successfully accomplished. Prof. C. M. Lieb, superintendent of the city school, has lately emphasized the daily need of truancy officers right here.

The department of finance, Mrs. Robert Becker Phillips, chairman, will have the raising of the funds for the permanent home in charge.

The department of civics, one of the most important, will work with the different municipal boards, park, sanitary, public works, etc., in an effort for better sanitation, and the beautifying of the city. (As an humble beginning they might start first and right NOW, installing boxes for trash on the streets.)

The house committee, Mrs. I. D. Wilcox, chairman, is the department of the club and will have the building in charge. The arrangement of it, renting of the auditorium and all

the social side of the club work will come under the supervision of this department.

Department Organized.

The department of philanthropy, Mrs. George C. Wallace, chairman, has already effected a splendid organization and will include the following sub-divisions: 1. Humane society, Mrs. Cook Husbands, chairman; 2. Flower mission, Mrs. George Flounoy, chairman; 3. Free kindergarten work, Mrs. William Morris, chairman; 4. Distribution of literature, Mrs. James Sleeth, chairman; 5. Needlework guild, Mrs. Charles Kiger, chairman; 6. Public charity department, with 25 working members and as officers: Mrs. George Wallace, president; Miss Martha Davis, secretary; Miss Elizabeth Sinnott, treasurer; Mr. Jap Toner, general secretary; and 8, city district chairman: First district Mrs. Chas. Kiger; Second district, Mrs. R. T. Lightfoot; Third district, Mrs. Will Farley; Fourth district, Mrs. John W. Scott; Fifth district, Mrs. Clarence Sherrill; Sixth district, Mrs. Jacob Wallerstein; Seventh district, Mrs. T. C. Leech; Eighth district, Mrs. James Wellie. The office of the public charity department is on Kentucky avenue near the city hall and has been donated for the council for this use. Any donations can be sent there where Mr. Toner will receive them, as well as investigate all calls for help. There is, also, a free employment bureau in connection with this department, as their desire is to help not to pauperize. The city will contribute \$100 a month for the use of this department.

INTO WINDOW

A PERSISTENT PASSENGER IS HURLED AT CURVE.

Head Protrudes and His Only Fear Is That He May Have to Pay for Damage.

Thrown off his balance by a sudden turning of the train as it took a curve at full speed, G. I. Smith, a farmer of the lower end of the county, was thrown through a window of the coach, and but for timely interference on the part of friends, might have gone on through. The accident was due entirely to Smith's persistency in standing erect in the coach after being warned by the conductor to "sit down."

The Cairo-Paducah accommodation passenger was nearing the sharp curve at the Terrell distillery just outside the city, and Conductor Bob Dawes passed through the coaches giving warning.

"Sit down," he told Smith and companions. Smith liked standing better, but his companions fell into seats. With a sharp whistle the engine took the curve. Smith staggered. Straight for the side of the coach he was hurled, and before anyone could reach him was thrown against the glass window.

Smith's head was thrust through the glass and his body was preparing to follow when he was seized. The man escaped injury. "Do you reckon they'll make me pay for that window I smashed?" he inquired solicitously when he had brushed the glass from his hair.

HAS GOOD RECORD.

Sixtieth Ohio Honorably Discharged—No Blot on Regiment.

Columbus, O., Dec. 22.—According to the adjutant general's record the Sixtieth Ohio which recently has been called into question, shows the regiment honorably discharged at Chicago, November 10, 1862, and that it had been three times commended for bravery. While in Chicago camp the regiment destroyed some government property, the value of which was but little over \$2,000.

Laddermen Take Down Sign.

The aerial truck was ordered out this afternoon to remove an insurance sign from the east side of the Brookhill building, Fourth street and Broadway. The board of public works gave notice to have the sign removed. It was fastened to the wall of the third story.

Shot for Getting Gay.

Indianapolis, Dec. 22.—Arthur Metzler, a drug clerk, shot and killed Al Harvey, a negro, today. Metzler said the negro "got gay" and attempted to walk behind the counter.

There is only one kind of a newspaper circulation statement that is worth any consideration and that is the daily detailed statement. The Sun is the only Paducah paper printing such a statement.

ANOTHER VICTIM OF A TOY PISTOL

Ellis Sweetzer Shoots Himself Through Palm

Earl Faulkner, Who Was Shot by His Brother Sunday Morning, Is Recovering.

BULLET WENT THROUGH LEG.

While loading his toy pistol last night at 7 o'clock, Ellis Sweetzer, the 10-year-old son of P. S. Sweetzer, of the Paducah Traction company, shot himself in the palm of his left hand. The wadding from the cartridge went through to the skin on the other side of his hand. Dr. J. D. Robertson dressed the injury and every precaution was taken to prevent infection. The accident occurred at the boy's home, 111 South Seventh street.

Wounded Boy Better.

Earl Faulkner, son of Mr. John Faulkner, a farmer four miles out on the Husbands road, who was shot by his brother in the leg below the knee last Sunday morning, is recovering from the wound. His brother, Harry Faulkner, 10 years old, had a toy pistol loaded with a blank cartridge. He dropped a B. B. shot down the barrel of the pistol and wadded it. Then stepping back a half dozen paces from his brother, he aimed at him in fun to see if the shot would be carried that far. The shot entered his left leg just below the knee, flattened against the bone, and caused downward coming out again four inches below where it had entered. On examination, Dr. R. E. Hearne found that the shot was carried with sufficient force to have gone through the boy's body if it had not struck a bone.

DEAD MAN IS UNDER CHARGES

Complaints Against St. Louis Contractor Filed With Federal Officers.

St. Louis, Dec. 22.—The federal and postal authorities have had complaints made to them concerning Warren F. McChesney, the retired contractor who dropped dead yesterday, and in whose clothing were found receipts indicating graft in connection with obtaining a franchise for an elevated railway in St. Louis.

Mark Chartrand, an insurance man, registered a complaint that McChesney had secured \$2,000 by representing himself as being able to obtain options on property the Terminal association wants and will soon buy. It was discovered today that McChesney was once indicted for forgery and bribery, and escaped conviction on a technicality.

FOR EARLY SERVICES.

Cars Leave Terminals for Downtown at 5:40 O'clock.

To accommodate the worshippers of the St. Francis de Sales church in their early Christmas morning service at 6 o'clock, the Paducah Traction company has arranged to have a car leave the terminal of each line Tuesday morning at 5:40 o'clock for the downtown district, thus making the service easily accessible to the church members. The arrangement will necessitate an earlier start than usual for the cars and clever work in making the schedule.

SCHOOLS

ALL CLOSED FOR HOLIDAYS IN THIS COUNTY.

Many Have Entertainments, and the Teachers Receive Presents From Pupils.

Yesterday afternoon all schools in the city and county closed, the city and county schools until January 2, St. Mary's Academy until January 7, and the West Kentucky college and Mrs. John J. Dorian's private school, for one week.

Yesterday afternoon after the entertainment at the High school auditorium, teachers of the Washington building through Miss Adah Brazelton, presented Principal E. G. Payne with an elegant silver toilet set. Prof. Payne replied in a graceful speech of appreciation.

Pupils at St. Mary's academy gave an entertainment Friday afternoon. It was an excellent one, and the program was elaborate.

Miss Adah Brazelton's pupils presented her with a gold brooch.

SIX MEN KILLED. Breeze, Ill., Dec. 22.—Six men met death today when the cage in which they were going to work in the east mine owned by the Breeze Trenton Coal company, ran away and fell 400 feet. All the victims are married and 17 children are left fatherless. The bodies were covered by debris. The first one recovered was cut in twain.

HICKS NEARLY FREE. Harkersfield, Cal., Dec. 22.—Hicks, the entombed man, today laughed and joked with the rescue party. Hicks is so near the workmen have actually touched him, and solid food has been given him.

Hitchcock Will Succeed Keeps In The Treasury

First Rough Rider to Decline Office Goes on Record Today—Harrison's Anniversary.

CHRISTMAS AT WHITE HOUSE

Washington, Dec. 22.—Frank H. Hitchcock, now first assistant postmaster general, probably will be Charles Hallam Keep's successor as assistant secretary of the treasury. It is said Keep will accept the position of state superintendent of banks in New York.

Rough Rider Declines. Captain Jack Greenway, former member of President Roosevelt's Rough Riders regiment, declined today to accept the offer of general commissioner of the land office tendered him by the president. He is engaged in the mining business and said in justice to his partners he could not accept the office.

Harrison's Golden Wedding. Washington, Dec. 22.—Justice and Mrs. Harlan today celebrated their golden anniversary wedding at home. In the receiving line with Mrs. Harlan were three brides of 50 years ago, Mesdames Samuel Bayard, James M. Shanklin and Ella Walwood, of Indiana.

Program of President.

Washington, Dec. 22.—President Roosevelt and his family have completed their program for the Xmas holidays. They will spend Xmas under the white house roof. The day after they will go to Pine Knot, Mrs. Roosevelt's country place in Virginia, and return the last day of the year in order to be home for the New Year's reception.

BYRCE IS MADE AMBASSADOR.

Washington Receives Authoritative Advice of His Appointment.

Washington, Dec. 22.—James Bryce, chief secretary for Ireland, has been appointed ambassador at Washington by the British government, to succeed Sir Mortimer Durand. Authoritative advice of his designation were received in Washington last night. The formal announcement of the appointment will be made in a few days. It is understood that Mr. Bryce is the first British cabinet officer to resign to accept a diplomatic appointment, and his acceptance of the post at Washington indicates the importance he attaches to his duties.

ANTITOXIN WILL BE ADMINISTERED

For Relief of The Victim of Dread Tetanus

Little Boy, Wounded by Toy Pistol, Develops Undisputable Symptoms of Disease.

IS TAKEN TO CITY HOSPITAL.

Tetanus has developed from an injury James Morrison, 13 years old, of 1250 South Sixth street, received from a pistol wound in the palm of the hand, ten days ago. The wound was accidental and was treated at the time, but apparently all the powder and other poisonous matter could not be removed before it had entered the blood. The doctors explain that owing to the cheap powder used in the manufacture of toy pistol cartridges, much of it does not explode and is carried with the wadding into any wound inflicted, where its poisonous qualities often cause lockjaw. Dr. Carl Sears is attending the Morrison boy and reports this morning that he is in a serious condition. James Morrison will be taken to Riverside hospital this afternoon to be treated with anti-toxin.

CAUGHT WITH GOODS.

Physicians Fish Game Birds From Dentist.

Dr. W. H. Hansbro, the dentist, hung over a dozen game birds out of his window at Fourth street and Broadway this morning to convince his sportsmen friends that his yesterday's hunting expedition was not fruitless. Dr. Horace T. Rivers, across the street looked upon the game with envy. Summoning Dr. Johnston Bass, city physician, he secured a hooked pole, repaired under the dentist's window and began to fish. They succeeded in unhooking the birds, but Dr. Hansbro saw the curious crowd across the street watching operations, and looking down beheld the meddles. They were "caught with the goods," and readily surrendered.

TO EDDYVILLE.

Six Prisoners Are Taken by Sheriff Ogilvie Today.

Today at noon Sheriff John Ogilvie and deputies took six of the eight prisoners to the Eddyville penitentiary to begin their terms. They are: John Isbell, white, two years, horse stealing; Paschal Gray, colored, two years, grand larceny; Arthur Breedlove, colored, one year, obtaining money by false pretenses; Will McMurray, colored, one year, malicious assault; William Butler, colored, one year, malicious assault. Rudy Ingram, colored, one year, obtaining money by false pretenses.

ANTI-BAILEY MEN STIRRED UP.

Not Worth Opponents of Senator to Hold Big Mass Meeting.

Fort Worth, Tex., Dec. 22.—The Bailey meeting in this city last night has thoroughly aroused the opposition. A call is being circulated and signed by bankers and leading business men for a monster anti-Bailey meeting to be held immediately after the holidays.

THE POOR

BEING LOOKED AFTER BY THE POLICE DEPARTMENT.

Chief Collins Gives Patrolmen Instructions to Report All Cases of Destitution.

"I have given orders to every patrolman in the city of Paducah to make a report of every case of destitution found, and have even instructed them to make special inquiry," said Chief of Police Collins this morning. "The Elks will give baskets of food this year, and I have secured the consent of three grocers to deliver the baskets. To secure the names is all necessary to insure that any family in Paducah in needy circumstances will have a nice Christmas dinner."

Louis Clark, Jake Biederman and Capt. E. Farley, well known grocers, have preferred their delivery wagons to deliver the baskets, and the Elks will furnish the baskets. Each basket is to be filled with as much as \$2 worth of food.

AUSTRIA IN LINE.

Upper House Passes Universal Suffrage Bill.

Vienna, Dec. 22.—The universal suffrage bill passed the upper house by a majority yesterday after a remarkable sitting of that chamber which lasted from 11 in morning until 11:30 at night. Only fifteen members of the house voted for plural franchise. This principle was combated with energy by the Austrian premier, who made an eloquent plea for universal suffrage on the ground that the failure to grant it would be followed by consequences most serious to Austria.

INCREASING ARMY.

Japan Raises Force of 750,000 Able Bodied Men.

Victoria B. C., Dec. 22.—Advices received today from the Orient say the Japanese cabinet has agreed to increase the Japanese army by two divisions. The Japanese army will have nineteen divisions when the increase is made. With this establishment Japan will be able to put 750,000 troops in the field.

Married in Cairo.

The marriage of the Rev. Thomas H. Pease, of Cunningham, Ky., a well known Baptist minister, and Mrs. Ellen Linderman, also of that place, was solemnized last evening at the residence of Mr. W. A. Boren, on Twenty-sixth street, Cairo, Ill.

FATHER

FOUND HOME BURNED AND FAMILY DEAD.

Was Carrying Christmas Presents to the House—Sisters of Charity Driven to Fire Escapes.

Chicago, Dec. 22.—One hundred Sisters of Charity and teachers in Stanislas Parochial school were routed out early this morning by fire in the building. Many made their way from the fifth story scantily clad by way of the fire escape.

Father's Sad Discovery.

Patterson, N. J., Dec. 22.—Mrs. Alice McWhitty and her two daughters were burned to death in a fire which destroyed their home at Pompton lake early this morning. The father who worked at night returned home with Christmas presents, found his home burned to the ground.

BENT ON GIVING.

Poor of City Being Looked After By Organizations.

The Charity club, the Salvation Army, the Union Rescue Mission and the police force, are working hand in hand for the purpose of charity, and never before in the history of the city will the paupers receive more attention or better care than this Christmas.

Mr. Toner has received many personal calls, the police received something like 30 today; the Rev. Chiles is collecting clothes and food daily, and every one is collecting something to make the hearts of the unfortunate glad for once this year.

"I do not believe that I have ever seen such active charity in my experience on the force," Chief Collins declared. "Every one seems to desire to do something and does not stop with the desire, but goes ahead and puts it into execution."

Reward of Good Conduct.

Mr. Richard Donovan, who is a cadet at West Point, will arrive on Christmas morning to spend the day with his parents, Mr. and Mrs. J. T. Donovan, 1622 Jefferson street. Mr. Donovan was home during the past summer and would not be permitted to return home for another two years, but the officers granted him a leave of four days for excellent conduct and he will take this in a visit to his parents, arriving Christmas morning and leaving that evening on the return.

Mr. Robert Richardson, assistant in the office of City Engineer L. A. Washington, and wife will leave tonight for Memphis, the home of the former, to visit relatives during the holidays.

WEATHER—Generally fair to

night and Sunday. Slightly colder tonight. The highest temperature reached yesterday was 36 and the lowest today was 29.

REAL WINTER DAY DAWNED WITH ICE

Coldest And Shortest of The Whole Year

Ground Frozen, Ice In Gutters and Temperature Down to 20 This Morning.

THE DAYS WILL GROW LONGER.

Real winter, theoretically and in reality, set in today, with a temperature of 29 above zero and the ground frozen hard. It will be still colder tonight and there is little signs of thawing today.

The winter solstice is reached today and this is the shortest of the year. Tomorrow the day will be imperceptibly longer and until the summer solstice the period of light will be gradually longer.

The Winter Solstice. Though the 21st of December is generally accepted as the shortest day in the year, it is not always so. The day of the year on which the time between sunrise and sunset is shortest varies from about the 19th to the 23rd of December. This is because the natural year does not coincide exactly with the calendar year, the correction which keeps them together being the quadrennial resort to the extra day of leap year.

At this winter solstice the day in this latitude is less than nine hours and a half in duration while at the summer solstice in June it is only a little less than 15 hours between the rising and the setting of the sun.

The axis of the earth's daily revolution being inclined at an angle of 23 1/2 degrees to the plane of its orbit around the sun and the Northern Hemisphere being tilted away from the sun at this season, that luminary seems now at meridian to be 47 degrees further south in the heavens than it appears in June. At midday the sun is now casting its longest shadows to the northward.

The sun now turns northward, so to speak and the days will gradually grow longer until about the 21st of June. It is generally true in this latitude that "as the days begin to lengthen the cold begins to strengthen."

FIGHT TO DEATH.

In Presence of Fifty Women in a New York Book Bindery.

New York, Dec. 22.—In the presence of half a hundred women on the verge of frenzy from terror, Abraham Loss and Louis Segal fought to the death in a book bindery in a Center street loft today. Loss, who was foreman of the bindery, received a deep knife wound in his neck just as half a dozen policemen who had been attracted by the cries of the women rushed into the room. His jugular vein was severed and he died in a few moments. Segal was arrested. Henry Lapidus, a 15-year-old boy, who was employed as a sweeper in the bindery, caused the row which resulted in the tragedy. Segal complained to the boy that he was raising too much dust, and when the boy continued to wield the broom as vigorously as before Segal attacked him. Los took the boy's part.

INES TO BENTON.

East Tennessee After Four Wires to Nashville.

Today patrons of the East Tennessee Telephone company can get Benton. Today the new double line to Benton is finished. It makes the fourth wire and "line is busy" will be a very infrequent answer to patrons hereafter. The object of the company is to secure four wires direct to Nashville, and when Paris, Tenn., is reached with the new line which is being extended from Benton, this will be realized.

REAL DAUGHTER REVOLUTION.

Mrs. Rachel Day Passed Away in New York.

New York, Dec. 22.—Mrs. Rachel Brookfield Day, an actual daughter of the Revolution, died in Newark yesterday at the age of 96. She was a daughter of Capt. Job Brookfield, who served throughout the Revolutionary war. Mrs. Day married Stephen Day, and two sons were born to them. Both enlisted in the Civil war and were killed.

Crisis Reached Today.

New York, Dec. 22.—Today marks the crisis in negotiations between the yardmen of seven railroads entering New York and the officials. The men say a strike will be declared before midnight that will tie up nearly the entire traffic.

THEATRICAL NOTES

At The Kentucky.
Tonight—"Texas Sweethearts."
Monday—Richard Mansfield in
"Beau Brummel."
Tuesday, matinee and night—
"Human Hearts."
Thursday—Paul Gilmore in "At
Yale."
Friday, matinee and night—
Hoyt's "A Bunch of Keys."

Texas Sweethearts Tonight.
The Muskegon Exchange of Thurs-
day, May 31, says: "Texas Sweet-
hearts" as played at the Strong last
evening was a genuine success. The
audience followed every action from
the curtain's rise to its last fall with
attention, showing its apprecia-
tion by frequent and hearty ap-
plause. The play was one to delight
the hearts of all, dealing with love
and intrigue on a Texas ranch. Its
plot led Pearl Lewis, as "Texas," the
owner of the ranch, through the
scheming of her covetous ranch fore-
man, into a den, where she was in
the power of the schemer, Alan Vil-
lar, as her lover, happened around
and was himself bound and made
helpless, but cleverly burning him-
self free from his bonds by his light-
ed cigar he set the house wild by
escaping from the den with "Texas."
This was only one of the many sit-
uations in which the play abounds,
the last act being exceptionally inter-
esting, ending in a most realistic duel,
and the prospective marriage of
"Texas" and her lover "Jack." Of
course Alan Villar made a hit as us-
ual by his easy, natural methods.
Pearl Lewis made a very good and
pretty sweetheart. Pleading special-
ties were also introduced and the
scenery was good. At The Kentucky
tonight.

Mansfield's Coming.
Naturally the announcement of
the positive appearance of Richard
Mansfield has taken a firm hold on
the public. Not merely on the theater
going public, but the public at large,
city and suburban, young and old, lib-
eral and conservative, for Mansfield
appeals to no one element more than
did Booth or Salvini, Siddons or
Bernhardt. He belongs to the people.
He would pack a theater if he recited
the alphabet. Mr. Mansfield is to ap-
pear at the Kentucky theater Christ-
mas eve for one night only. He comes
with his entire company of 106 peo-
ple and his usual massive scenic out-
fit. He will be seen as "Beau Brum-
mel."

"Human Hearts."
The powerful and impressive melo-
drama, "Human Hearts," presented
by a strong company, will be offered
for the approval of the lovers of that
sort of entertainment at The Kentuck-
y Christmas matinee and night.
"Human Hearts" has been firmly es-
tablished as one of the most original
and interesting of modern dramas.

Modjeska's Farewell.
Just one more opportunity will be
afforded local theater goers to see
one of the greatest artists and most
lovable of women who have ever
graced the American stage, when Ma-
dame Helena Modjeska comes to this
city in the near future for a positive
farewell appearance. A record break-
ing attendance is looked for when
she produces "Machbeth."

Paul Gilmore Demands Trained Ath-
letes.

"It is all very well," recently said
Paul Gilmore who is to be seen at
The Kentucky on Thursday night, in
the new college play "At Yale," "It
is all very well to have a genuine
boat race in this new play, but it is
quite another thing to get sixteen
men who are able to fill the seats in
the two boats. For my own part, I
have been in training for months,
for, athletes that I am, I know all
muscles must be hardened for such
a strenuous effort as it is necessary
to make for this real race upon the
stage. Mind you, we don't sit in our
boats like so many dummies, but
we pull real oars which are fastened
in a mechanical device that calls for
nearly the same effort as in the real
race, and when you take into consid-
eration the fact that we go over the
actual course, taking the exact time
that is necessary to pull through the
water, you may well imagine the
strain that is brought to bear upon
us, and this is not once a year, as do
the college boys, but from six to ten
times a week! The men chosen for
the seats in the boats are thorough
going athletes and have been in al-
most, as severe training as I have."

Hoyt's "A Bunch of Keys."
Safe and sane musical farce com-
edy, may, with perfect impunity, be
assumed to be the underlying prin-
ciple upon which was founded Hoyt's
unspokeable success, "A Bunch of
Keys," which has never yet failed to
realize the audience's fondest desires.
This season in particular, the an-
nouncements concerning "A Bunch
of Keys" are replete with inviting
promises and teem with novelty fea-
ture declarations.

"A Bunch of Keys" will find a le-
gion of staunch friends to greet it at
The Kentucky on Friday night.

SWEET CHARITY IN THE SCHOOLS

Children Remember The Poor
With Clothing

The Rev. R. W. Chiles Makes Several
Trips to Buildings After
Articles.

RAILROAD MEN ARE GENEROUS

Pupils in the public schools of
Paducah contributed largely to
charity yesterday when a collection
of clothing, food and money was ta-
ken up at the school houses. The en-
tire lot was turned over to the Rev.
R. W. Chiles, of the Union Rescue
Mission. It required several trips to
some buildings before the entire col-
lection of stuff could be taken away.
Children brought coats, trousers,
dresses, underwear, stockings, caps
and in fact every kind of garments,
some even bringing towels and cook-
ing utensils. Anything would be ac-
ceptable they were told, and the lit-
tle ones, especially, entered into the
heart of the undertaking.

The Washington school collection
was large and also was the Longfel-
low, Fifth and Kentucky avenue, but
the collection taken at the Jefferson
building probably was the largest of
any school. Money was donated in
this school and several dollars col-
lected.

Railroad Men Give Freely.
Railroad men are also doing good
work in charity. Employees of the
road, who have been disabled and in-
capacitated by illness are not for-
gotten, and several collections have
been taken up for them. Some will
be given a present purchased with
the money, while others will be pre-
sented with the cash.

TO LIGHTEN WOMAN'S WORK
If you could give a Xmas pres-
ent that would take half the
work of housekeeping from the
good wife would that not be a
pleasant reminder of you. A
Bissell's Carpet Sweeper will
solve the sweeping problem. We
have them at \$2.50 to \$5.00.
RUDY, PHILLIPS & CO.

\$2,400 to Be Divided.
Frankfort, Ky., Dec. 22.—Owing
to the fact that a quorum was not
present, the Democratic state execu-
tive committee, which met here yester-
day, could not take any formal ac-
tion, but it was found that after pay-
ing out about \$300, which yet re-
mains unpaid, there will be \$2,400
left from the money provided for
the primary to be divided among
the candidates.

like a present sure to please and
to be appreciated, get a rug or a

showing a fine line, prices are

The Week In Society.

THE SONG FOR CHRISTMAS.

Chant me a rhyme for Christmas—
Sing me a jovial song—
And though it is filled with laughter,
Let it be pure and strong.

Sing of the hearts brimmed over
With the story of the day—
Of the echo of childish voices
That will not die away.

Of the blare of the tasseled bugle,
And the timeless clatter and beat
Of the drum that throbs to muster
Squadrons of scampiering feet.

But, O, let your voice fall fainter,
Till, blent with a minor tone,
You temper your song with the
beauty
Of the pite Christ bath shown.

And sing one verse for the voiceless;
And yet, ere the song be done,
A verse for the ears that hear not,
And a verse for the sightless one.

For though it be time for singing
A merry Christmas glee,
Let a low, sweet voice of pathos
Run through the melody.
—James Whitcomb Riley in December Reader.

I
Santa Claus and his little wife
Wish each one a happy life.

II

VII
"After the ball,"
This is all—good night.

The Week Before and After.

The week has been socially quiet but there has been too much movement otherwise for the quiet to be distinctly felt, unless as a relief to the Christmas thought-burdened woman on shopping and sewing bent. All the card and literary clubs were called in for the week and even the informal meetings were crowded out of the day's schedule. Christmas

with all of its interest and charm of gift-planning and making, has absorbed everyone's thoughts, interest and time. What a time it is! Yet who would have it otherwise? We may bend beneath its burdens but who would not rather than go up-right without them?

For the coming week there are already some announced events with more pending. The younger society crowd will be especially in the whirl of things. It is their holiday and with many of their set at home from college for Christmas there will be a steady round of affairs formal and informal for them.

Mansfield in his masterpiece, "Beau Brummel," will draw on society largely for Christmas eve at the Kentucky theater.

In Honor of Miss Lockett.

Complimentary to Miss Belle Lockett, of Henderson, Ky., the popular visitor of Miss Martha Davis, an informal dance was given on Monday evening by a number of the young men. The party stormed Dr. I. B. Howell at his handsome office suite in the Columbia building and spent the evening most pleasantly. There were six couples present.

Boche Luncheon to Miss Lockett.
Mrs. Thomas C. Leach, at her delightful home on Fountain avenue, entertained informally on Monday afternoon at eight-hand euchre in compliment to Miss Belle Lockett, of Henderson, Ky., the charming guest of Miss Martha Davis.

The game prize was won by Miss Ruth Well. A guest of honor prize was presented to Miss Lockett. A prettily appointed luncheon was served after the game. The guests were: Mrs. John W. Scott, Misses Lockett, of Henderson; Waller, of Morgantown; Martha Davis, Elizabeth Sinnott, Ruth Well, Frances Wallace, Ethel Brooks.

Complimentary Card Party.

Mrs. Helen Hecht, of West Broadway, entertained at cards on Monday afternoon at her home in compliment to her guest, Mrs. Gertrude Wolf, of St. Louis. It was quite an elaborate affair with eight tables of guests present. The house was decorated with carnations and chrysanthemums in a scheme of white and pink. The same color-motif was attractively carried out in the service of the four-course luncheon and in the hand-painted tables.

The first prize was won by Mrs. Jacob Wallenstein and presented to the visitors, Mrs. Wolf winning in the cut. Mrs. Leopold Friedman captured the lone-hand prize and presented it to Mrs. Samuel Newman, of Milwaukee. The guest of honor prize went to Mrs. Wolf and Mrs. Morse, of Memphis, received the consolation prize.

Delightful School Reception.

Mrs. John Dorian entertained the pupils of her private school with a delightful reception on Friday evening at her home on South Fourth street. A number of the pupils live out of the city, and the entertainment was held before they left for their homes.

The school room was attractively decorated in the class colors, red and white, and the class flower carnation was effectively used. Here a musical program was rendered under the auspices of the Alpha society of the school. Miss Mary Linn, president, Master Edwin Lightfoot, secretary, those taking part were: Misses Mary Linn, Genevieve Katterjohn, Marceline Budde, Mary Dorian, Ruth Bayham, Pearl Michael, Games and dancing followed the program.

In the dining room which was prettily decorated in the Christmas colors of red and green, ice, cakes and candies in the class colors of red and white were served. About 100 guests were present.

D. A. B. Chapter.

The December meeting of Paducah chapter, Daughters of the American Revolution, was held on Tuesday afternoon with Mrs. James M. Buckner, of Jefferson street. In the absence of the regent, Mrs. Hubbard S. Wells, the vice state regent, Mrs. M. H. Nash, presided.

The meeting was opened by the singing of America. The response to roll-call was made with the sayings of great generals. The annual election of officers was then entered upon. Mrs. E. G. Boone was unanimously elected regent. Mrs. Charles K. Wheeler was made vice regent. Miss Emily Morrow was re-elected secretary. Mrs. I. O. Walker is the treasurer; Mrs. Leslie Soule, registrar; Mrs. Claude Russell, historian; and Mrs. C. H. Chamblin, chaplain. An interesting feature of the session was a discussion, "For the Good of the Chapter," by all the members, in which many fine suggestions were made in the work for the new year. A delightful course-luncheon was served by the hostess after the business session.

The Daughters of the American Revolution is not a social organization, as some think, though the meetings are made delightful and less formal by being held in private homes with the refreshment feature and music often. An interesting and instructive program is always followed by the chapter and the three

cardinal objects of the society are:
"1. To perpetuate the memory of the spirit of the men and women who achieved American Independence, by the acquisition and protection of historical spots, and the erection of monuments; by the encouragement of historical research in relation to the revolution and the publication of the results; by the preservation of documents and relics, and of the records of the individual services of revolutionary soldiers and patriots, and by the promotion of celebrations of all patriotic anniversaries.
"2. To carry out the injunction of Washington in his farewell address to the American people, 'To promote as an object of primary importance, institutions for the general diffusion of knowledge,' thus developing an enlightened public opinion and affording to young and old such advantages as shall develop in them the largest capacity for performing the duties of American citizens.
"3. To cherish, maintain and extend the institutions of American freedom, to foster true patriotism and love of country, and to aid in securing for mankind all the blessings of liberty."

P. D. C. Club.

The P. D. C. club will give a dance on Monday evening, December 31, in honor of the girls and boys at home from college for the holidays.

Pleasant Party Last Night.

Miss Daisy May and Mr. Wilbur May at their home, 1245 Trimble street, gave an enjoyable party last evening to a merry crowd of their friends. Games and music were features of pleasure and delightful refreshments were served.

About People.

Miss Eloise Bradshaw, who is attending Belmont college at Nashville, Tenn., is at home for the Christmas holidays. She has for her house guest Miss Mary French, of Fort Worth, Texas, who is also a Belmont girl.

Mr. Robert D. MacMillen leaves tonight for St. Louis to spend Christmas at the home of Mr. and Mrs. F. S. Higgins, where Mrs. MacMillen and son are now visiting.

BROOKPORT NOTES.

Wednesday morning fire broke out in the home of Joseph Smith, in the northern part of town, destroying it in short order, also setting fire to the home of Andrew Simmons, which also burned. We understand that the contents of one room of Smith's house was saved and almost everything in Simmons' house was saved.

Henry Obermark, our hardware man, was accidentally shot in the left forearm Saturday evening with a 32 caliber revolver. He and Alfred Hohmann were playing with the gun not knowing that two of the chambers were loaded, when it went off, the ball lodging in the fleshy part of the arm near the elbow. Dr. Adkins dressed the wound which is not serious. The ball could not be found and remains in the arm.—Brookport Eagle.

DRAUGHON ALWAYS MAKES GOOD.

WANTED—YOU to READ THE following statement from A BANK about DRAUGHON'S \$500.00 DEPOSIT:

THIS CERTIFIES that \$500.00 has been deposited in this bank for twelve months by DRAUGHON'S PRACTICAL BUSINESS COLLEGE COMPANY, Paducah and Nashville, as a guarantee of good faith that it will make good its proposition published in its booklet entitled "Draughon's Eye-Opener," which proposition is in substance as follows:

Two students may be selected to take bookkeeping — one THREE months in one of Draughon's Colleges, and one SIX months in any other business college in the United States; and at the end of THREE and SIX months, respectively, these students are to be examined by three judges—practical bookkeepers—one each to be selected by the respective colleges, the two judges to select the third one, the majority to rule, and if Draughon's "THREE-MONTHS" student has not as good or BETTER knowledge of bookkeeping than the other college's SIX-MONTHS' student, Draughon will pay tuition for said student and all the expenses for the examination; the examination to consist of making such entries as come up in keeping books for mercantile houses and banks, plain double-entry bookkeeping for partnerships and corporations, changing books from single to double entry, etc.

Commonwealth Policy

In Force 4 Weeks

PAID IN FULL

Within 24 Hours After Death

The COMMONWEALTH is the only company issuing Industrial Policies that are payable PROMPTLY and IN FULL—no matter when death occurs. Do you want insurance in a company that cuts your policy in half if you die within one year? Read what Mrs. Lush says about the COMMONWEALTH:

Louisville, Ky., Dec 17, 1906.

Gentlemen: Please accept my thanks for your payment to me of \$100.00, the amount of the claim I had against your Company on account of the death of my boy, Clarence N. Lush, who died last night. Although this policy had only been in force four weeks you paid me the full amount, \$100.00, as your policies provide for a Full Immediate Benefit from date of issue.

We had never taken any industrial insurance until your agent called and explained thoroughly the Full Immediate Benefit Policy, and, as I considered this the first Company to do the fair thing by those only carrying industrial small insurance, I readily insured my entire family and am proud to say that I still have seven policies on the other members of my family.

Again thanking you for your promptness in settling this claim. Respectfully yours,
(Signed) ALICE LUSH, Beneficiary.

Write a postal card to J. F. Nicholson, Superintendent of Industrial Department, Eagle Building, Sixth and Broadway, Paducah, Ky., and an agent will be glad to call and explain fully the many exclusive features of COMMONWEALTH Insurance. You do not obligate yourself in any way by talking it over.

Daily Thought.
"Wealth is not a sin, neither is
poverty a virtue. The man in either
state determines its quality."

PADUCAH TRADE.

From over the river and from fifty
miles around in Kentucky farmers
are flocking to Paducah to do their
Christmas shopping. Many towns on
the Illinois Central have schedules,
which permit their inhabitants to
spend the day in Paducah, while
those on the N. C. & St. L. are taking
advantage of the limited opportunity
afforded by the schedules on that
road to spend two or three hours in
the afternoon on Broadway. Men
with clothes baskets full of Christ-
mas commission for neighbors are
not uncommon sights on the street
today. These facts induce reflection
as to the possibilities of interurban
trolley lines connected Paducah with
the surrounding territory with cars
running every hour of the day.
Where scores come now, hundreds
would come, with proper facilities
and cheap rates. And, not only
would they come during the holidays,
but all the year around the trade
would continue, and Paducah would
profit by an annual tribute of thou-
sands of dollars from western Ken-
tucky. The circulation of the life
blood of trade in Paducah would be
doubled in a year and the benefit to
the retailer, whose life is the life of
the city, would be simply enormous.
Paducah must look to means for
binding to her trade which is nat-
urally hers.

Every generation is a generation
of pioneers, or else the race is decay-
ing. Our grandfathers cleared the
forests, that we might have a home;
our fathers built school houses
that we might find culture; and this
generation, possessed of all the con-
veniences and comforts, turns its at-
tention to the prolongation of that
life in order that the next genera-
tion may profit by its discoveries.
Sanitation and the preventative of
diseases is the watchword of the
times. Scientists have reported that
100 people die every day of consump-
tion. Common sense methods of care
for patients have been found effec-
tional in preventing its spread. Pa-
ducah is in line with the spirit of
progress in this regard as far as leg-
islation is concerned. Reports of
cases to the health officer and fumig-
ation are prescribed by law. But
people are dying of consumption and
contagious disease in our midst
right along, and so far as we can
ascertain, no reports or fumigations
have been made, although the
board of health was excessively dili-
gent in urging the general council
to perform its part of the work.

Who is to blame for the car fam-
e? The people said the coal mines
were holding back to force up prices.
The coal mines proved that the rail-
roads were not so bad, then came the
railroads say the shippers consume
so much time in loading and un-
loading. The interstate commerce
commission will tell us presently.

One fact is apparent, the railroads
have not kept up with the prosperity
and development of the last five
years. When the flush times came
about a half decade ago the railroads
were swamped. It will be interest-
ing to learn what efforts they have
since made with their earnings to ac-
quire the equipment necessary to
care for the growing traffic. Double
tracking on most of the great trunk
lines to permit of faster and safer
schedules and the quicker
and more systematic handling of cars
seem necessary to make the best use
of the rolling stock the railroads
now own. Little of this sort of work
has been done, comparatively. Inter-
state transportation lines seem in a
fair way to be enlightened as to their
exact public duty to the public in a
short time.

Black art, once punishable with
death by torture, has been commer-
cialized, and still surrounded by the
same subtle mystery, which goes so
far toward producing the "subjective"
mind, the demonstrator dis-
plays his or her power at popular
prices. Thus we see that the origi-
nators of the black art were only
making the usual pioneer sacrifices,
that future generations of fakirs
might reap a harvest of gold. Scof-
fing at the ignorance of our ances-
tors, who believed the devil had a
hand in it, and put the alchemists to
death, we pay a tribute of money to
the modern demonstrators of the
same sort of tricks. Perhaps, after
all, the joke isn't so much on our an-
cestors. They were emotionally su-
perstitious. We are intellectually su-
perstitious. Their superstition took
on a religious tone, and they put
it to death. Ours takes on a scien-
tific turn and we buy orchestra
chairs. The humorous feature is,
that even those who say it is a fake,
lay it to some phenomena of the
the mental faculties, when in reality
the whole demonstration appeals to
nothing more than the senses. You
trick the eye or ear, the nose, mouth
or fingers, and they will trick the
brain. "Professors," "mediums"
and "mystics" do not meddle with the
divine part of man. Their dealings
are altogether with the animal senses,
and they do not pretend to occult
powers. They just leave it to us to
add that touch of the miraculous.

A sudden spirit of commercialism
is casting a blight over Hopkinsville,
and the once hospitable capital of
the garden county of Christian, will
spend the holidays with one eye on
her tobacco warehouses and the other
on Trigg and Caldwell counties. The
mayor has issued a proclamation
that firecrackers and booze (the lat-
ter in excessive quantities) are pro-
hibited. Thus at once are the small
boys and their elders enjoined from
celebrating the advent of the glad-
some Christmas tide according to
the time honored customs of that
community. And, why, forsooth?
Because Hopkinsville has fallen heir
to the prosperity of Caldwell county,
consequent on the burning of the
warehouses at Princeton, and our
close-fisted neighbors with thirsty
throats must needs hug tight their
new found wealth, lest there be an-
other bon fire in western Kentucky.

Secretary of Commerce and Labor
Strauss made himself popular in the
southern states by his ruling on the
very first question presented to him,
the right of a state to send an agent
abroad for the purpose of inducing
immigration. The question was
raised in regard to the action of
South Carolina mill men, whose
agent in England offered a bonus to
expert mill hands for coming over.
The men complained that conditions
were misrepresented and the whole
subject of immigration agencies was
reviewed by the department. Padu-
cah and western Kentucky are inter-
ested because we have an agent in
Austria, not seeking mill hands, to
be sure, but representing the advan-
tages of this section in agriculture to
the small farmers of Europe.

Again Paducah stands forth dis-
tinguished above her sister cities in
Kentucky. She led her class in in-
dustrial development, according to
the report of the census bureau. Now
it is learned that while Kentucky as a
whole gave to San Francisco suf-
ferers \$3,397,023, Paducah alone gave
\$1,621,111. No other city in the
commonwealth is mentioned in the
published report of the Relief and
Red Cross commission. To be dis-
tinguished in public reports for in-
dustry and charity is no mean rep-
utation for a city.

In British Cabinet.
London, Dec. 22, 5 a. m.—In well-
informed parliamentary circles Au-
gustine Birrell, president of the
board of education, is now regarded
as first favorite for the post of chief
secretary for Ireland, which will be-
come vacant when James Bryce is
transferred to the British embassy at
Washington. In this event Dr. N. C.
Macnamara probably will be the new
minister of education.

CHAPTER NOTICE.
Paducah chapter, No. 29, R. A. M.,
will meet in special convocation to-
night at 7:30 o'clock for work in the
M. E. and R. A. degrees. Visiting
companions welcome.

GROCCERS ROBBED
AT BAYOU MILLSBy Residents of Shanty Boat
In The RiverEggs, Chickens, Game and Apples
Among Plunder Carried Off by
Thieves.

ARE LOOKED FOR IN THIS CITY.

Two coops chickens.
Two cases fresh eggs.
Forty rabbits.
Two barrels of apples.

Some one is to have a Christmas
feast at the expense of Bayou Mills
grocers, and the above constituted
what they lost. Local police have
been instructed to watch the river
and arrest anyone trying to sell any
of the above enumerated articles, "if
they live on a house boat."

A house boat moored north of the
small landing at Bayou Mills at-
tracted no attention because such
craft often lie up there. The next
morning it was unpleasantly re-
minded, for the merchants missed
chickens, eggs, rabbits and apples,
and have every reason to suspect
those on the boat to be guilty of con-
fiscating them.

A close watch on the river here
failed to reveal any such craft.

FUGITIVE

ARRESTED AT FOURTH AND

On Corner.

Sheriff B. F. O'Barr, of Waverly,
Tenn., believes in combining busi-
ness with pleasure.

Sheriff O'Barr noticed a one-eyed
negro named Lonnie Nichols stand-
ing near Fourth street and Broad-
way and took him to the police sta-
tion.

Nichols is wanted at Waverly for
alleged assault and battery.

Police Judge Cross issued a war-
rant at the instance of the Tennessee
sheriff, charging Nichols with being
a fugitive from justice. He will be
taken back Monday.

"Not a truth to art or science has
been given,
But brows have ached for it, and
souls toiled and striven.
And many have striven, and many
have failed,
And many died, slain by the truth
they assailed."

The Osteopathic science has been
assailed as vigorously as ever any
new truth that has been offered the
world, but, today it is rapidly coming
into its own, as the people become
better acquainted with it—know it.
Osteopathy is an evolution of the
science of treating disease. It went
back to the first principles in nature
for its foundation, and by taking a
step backward it has made a great
stride forward.

It is merely a common sense
treatment; a method of manipula-
tion to restore the normal conditions
of nerve control and blood supply to
every organ of the body by removing
the physical obstruction, or stimu-
lating, or preventing functional ac-
tivities, as the condition may re-
quire.

The success I have had in Padu-
cah in treating rheumatism, neural-
gia, nervousness, malaria conditions,
such as the tired-out, run-down feel-
ing, sick, heavy headaches, and
stomach disorders are but a repeti-
tion of the successes of the science
everywhere.

Come to see me at any time, and
let me tell you of Paducah people
you know well who will vouch to
benefits received from the treatment.
That's the best recommendation I
can give you.

WISCONSIN MAN HANGS HIMSELF TO A FREIGHT CAR.

Fond Du Lac, Wis., Dec. 22.—Be-
cause his opera, through which he
hoped to make a fortune, was re-
jected by New York managers, Wil-
liam F. Borchert, a musician well
known in Milwaukee and throughout
the eastern part of the state, commit-
ted suicide by hanging himself to a
freight car at Mayville last night,
using two handkerchiefs as a rope.

Borchert's opera, "The Bride of
Morocco," was given an initial per-
formance at the Shubert here last
summer. It was looked upon with
favor and a New York manager said
that with certain changes, which he
suggested, it would prove a hit in
New York. Borchert sent the re-
vised opera to New York, where it
was rejected. The shock was so
great that his mind gave way.

Borchert went to Mayville Tuesday
where he had pupils, and gave his
instructions as usual.

Borchert was 55 years of age. He
was born in Mecklenburg, Germany,
and came to America when 21 years
old. For the past eight years he has
been director of musical societies in Fond
du Lac, Mayville and Oshkosh.

We are showing the largest
and prettiest assortment of
handkerchiefs ever seen in the
city.

The REFUGEES

By A. CONAN DOYLE,
Author of "The Return of Sherlock Holmes"

Copyright, 1906, by Harper & Brothers

But then came a return of that common sense which lies so very closely beneath the impetuosity of the Celt. The matter was done now, and he must see if it could not be mended. Amos Green had escaped. That was one grand point in his favor. And Amos Green had heard the king's message and realized its importance. It was true that he knew nothing of Paris, but surely a man who could pick his way at night through the forests of Maine would not be balked in finding so well known a house as that of the archbishop of Paris.

And then the thought of escape occurred to his mind. Might he not even now be in time perhaps to carry his own message? Who were those men who had seized him? And where were they taking him to? Full of curiosity, he peered out of the windows.

A horseman was riding close up on either side, but there was glass in front of the carriage, and through this he could gain some idea as to his whereabouts. The clouds had cleared now, and the moon was shining brightly, bathing the whole wide landscape in its shimmering light. To the right lay the open country, broad plains with clumps of woodland and the towers of castles peering out from above the trees. On the left, but far away, lay the glimmer of Paris. They were leaving it rapidly behind. Whatever his destination, it was neither the capital nor Versailles. Then he began to count the chances of escape. This sword had been removed, and his pistols were still in the holsters beside his unfortunate horse. He was unarmed, then, even if he could free himself, and his captors were at least a dozen in number. There were three on ahead, riding abreast along the white moonlit road. Then there were two on each side, and he should judge by the clatter of hoofs that there could not be fewer than half a dozen behind. That would make exactly twelve, including the coachman—too many, surely, for an unarmed man to hope to battle. At the thought of the coachman he glanced through the glass front at the broad back of the man, and he had suddenly in the glimmer of the carriage lamp observed something which struck him with horror.

The man was evidently desperately wounded. It was strange indeed that he could still sit there and flick his whip with so terrible an injury. In the back of his great red coat, just under the left shoulder blade, was a gash in the cloth where some weapon had passed, and all round was a wide patch of dark scarlet which told its own tale. Nor was this all. As he raised his whip the moonlight shone upon his hand, and the instant saw, with a shudder, that it also was splashed and clogged with blood. The guardman craned his neck to catch a glimpse of the man's face, but his broad bearded hat was drawn low, and the high collar of his driving coat was raised, so that his features were in the shadow.

And now they had come to a spot where the main road ran onward, but a smaller side track wound away down the steep slope of a hill, and so in the direction of the Seine. The advance guard had kept to the main road and the two horsemen on either side were trotting in the same direction when, to the coachman's amazement, the carriage suddenly swerved to one side and in an instant plunged down the steep incline, the two stout horses galloping at their topmost speed, the coachman standing up and lashing furiously at them and the clumsy old vehicle bounding along in a way which threw him backward and forward from one seat to the other. Behind him he could hear a shout of consternation from the escort and then the rush of galloping hoofs. Past as the coach went, its pursuers went faster still. The rattle of their hoofs was at the very back, and suddenly at one of the windows there came into view the red, distended nostrils of a horse. Slowly it drew forward, the muzzle, the eye, the ears, the mane, coming into sight as the rider still galloped, and then above them the fierce face of Despard and the gleam of a brass pistol.

"At the horse, Despard; at the horse!" cried an authoritative voice from behind.

The pistol flashed, and the coach lurched over as one of the horses gave a convulsive spring. But the driver still shrieked and lashed with his whip, while the carriage bounded onward.

MANY CASES OF RHEUMATISM HERE

Physicians Trying to Check What Appears Like Epidemic

Valuable Home Prescription to Relieve Kidney Trouble Which Anyone Can Prepare—Don't Cost Much—Will Believe Most Cases.

SIMPLE HOME MADE REMEDY

Thousands of men and women who have felt the sting and torture of this dread disease, which is no respecter of age, persons, sex, color or rank, will be interested to know that while for many years rheumatism was considered an incurable disease, now it is one of the easiest afflictions of the human body to conquer. Medical science has proven it not a distinct disease in itself, but a symptom caused by inactive kidneys. Rheumatism is uric acid in a blood and other waste products of the system which should be filtered and strained out in the form of urine. The function of the kidneys is to sift these poisons and acids out and keep the blood clean and pure. The kidneys, however, are of sponge-like substance, the holes or pores of which will sometimes, either from overwork, cold or exposure become clogged and inactive, and failing in their function of eliminating these poisons from the blood, they remain in the veins, decompose and settling about the joints and muscles, cause the untold suffering and pain of rheumatism and back ache, often producing complications of bladder and urinary disease, weakness, etc.

The following simple prescription is said to relieve the worst cases of rheumatism within one week, because of its direct action upon the blood and kidneys, relieving, too, the most severe forms of bladder and urinary troubles: Fluid Extract Dandelion, one-half ounce; Compound Kargon, one ounce; Compound Syrup Sarsaparilla, three ounces. Mix by shaking well in a bottle and take in teaspoonful doses after each meal and at bedtime. The ingredients can be had from any good prescription pharmacy, and being entirely vegetable, are absolutely harmless and safe to use at any time.

Paducah	30.2	0.7 rise

Ice is in the Mississippi river now and a scampering to winter quarters of those boats that come to Paducah may be expected. Two-tenths over 30 feet is the stage here now, with a rise of 7 in the last 24 hours. The wharf was swept by a cold wind today and the ordinarily placid river was lashing the shores ominously, while out in the river the white caps raised their heads spitefully.

Christmas week will find the wharf dull here. Several of the packets will quit and the natural sharp dropping of business will make the arrival of the others uninteresting. It will be a breathing spell for the boats, which they will improve for repairs. The Dick Fowler left this morning for Cairo on the last trip before going on the way to Mound City. The Dick Fowler has an extra trip to Wickliffe today and probably will not get back to Mound City until sometime Sunday.

On account of ice in the Mississippi it is possible that the City of Snitillo will not get any further back toward St. Louis on the present trip than Paducah, and go into winter quarters here.

If the ice catches the City of Savannah in St. Louis, it will go on the ways there immediately for repairs and then escape the danger.

The Joe Fowler on the return to this city Sunday, will be up for a week of repairs. The machinery and boilers need overhauling.

The third big packet to lie up at Christmas week will be the City of Memphis. Little business in that period and needed repairs make it advisable to quit.

The Royal in the Golconda and Paducah trade and the George Cowling in the Paducah and Metropolis trade will not run Christmas day. The wharfbort will not receive freight on that day and the other packets will be out on their trips making the day unusually quiet here. The Bottle Owen probably will not run Christmas day.

The Hartford arrived this morning from Clarksville and after bringing the Electra from the ways to the lower wharfbort, left at noon for Nashville, where it probably will spend Christmas.

The big W. W. O'Neal passed down from Pittsburg yesterday with coal for New Orleans.

The Jim T. Duffy arrived yesterday from the Ohio river with ties and the Margaret left today for the Cumberland river after a tow.

The John Hopkins was today's tardy Evansville packet. The Joe Fowler left this morning nearly 24 hours late for that point.

The Kentucky will get away late tonight for the Tennessee river with the Christmas Jugs.

The Scimitar No. 2, when she is repaired at the ways, will go to Vicksburg, Miss., to take on a government engineering party engaged in work on that river.

Chairman Burton, of the rivers and harbors committee, practically admits that there will be no legislation for the improvement of the Cumberland river in Kentucky at this session.

Official Forecasts.
The Ohio at Evansville and Mt. Vernon will continue rising until next Sunday or Monday. At Paducah and Cairo will continue rising during the next four days. Maximum stages are indicated as follows: Evansville, between 41 and 35 feet; Mt. Vernon, 33 to 34 feet; Paducah about 31 feet, and Cairo 34 to 35 feet.

The Tennessee at Florence and Riverport will probably rise during the next 24 hours. At Johnsonville, not much change during the next 24 hours.

The Mississippi from Chester to slightly above Cairo, and the Wabash at Mt. Carmel, will continue falling.

We could make and lay a new carpet for Xmas. Let us have your order.

SHOPPERS HURRY TO END THE RUSH

Today is Record Breaking Finish on Broadway.

Jug Trade Falls Off and Tennessee Sells Liquor in Local Option Counties.

EXPRESS AND POSTOFFICE.

Weary but happy, the throngs of shoppers which have swept frenziedly up and down Broadway all this week, today and tonight are a veritable surging mass of humanity, swelled by the country people, and the out-of-town shoppers brought in by boat and rail. The throngs to the stores appear to be so many tributaries to the main throng, continually sending forth streams of busy people.

And Snailay comes, a grateful halt in life's tremendous charges. All day tomorrow the tired clerks and merchants and scarcely less so the weary shoppers, will gather strength with which to go out into the last day of the great holiday of holiday shopping. It will be an effort liberally repaid by the one day of rest, of manifest surrounding happiness, accentuated by the feeling that one has contributed no little to its sum total. While only one day of rest will follow, the rapidity of action, which has characterized the last few weeks in ever accelerating speed, suddenly will cease and we start out into the new year calm and hopeful.

The bad weather has had both a negative and positive influence on trade. It has reminded the people that winter is here, and that provision must be made. It also has kept back shopping, especially among the out-of-town folk, who, coming into the city now make the selling facilities relatively smaller. Something of the calmness of desperation characterizes the clerks today. The rush is now so strong that they simply are giving undivided attention to the customer in hand, and letting the unattended other strike out for themselves.

More Cash Spent.

Hurried interviews with the merchants resulted in various opinions. The majority think that credit is less extensive this year because the people have more cash on hand. But just year was a money good year, and some merchants will accept an equal amount of business with satisfaction. Others report as much as twenty per centum increase. Today especially was good, because several thousand employees were paid their salaries and wages and the \$3,500 or more paid out to the teachers in the schools swelled the circulation.

It all depends on the circumstances as to what is bought. The country trade have made the firearms and ammunition departments of the hardware stores busy. The city beaux may be seen in quantities in the jewelry stores and ready in Christmas boxes is being extensively bought as usual. The supply of flowers long since was exhausted and a week ago requisition had to be made on Chicago and other points to fill orders. Fireworks began to be bought in earnest today.

Here and there a howlered countryman may be seen with an expression on his face which plainly says that he has caught "the strenuous life in its native hair." The clerks will not be forgotten Christmas. Numerous suppers are rumored and other ways of expressing their appreciation for cheerful self-sacrifice during the holidays will be observed by the merchants.

Jug Trade Light.

On account of the county unit law it is said the Jug trade is not so strong out of this city this year. It is being shipped into the state from Tennessee principally. However, the shipments out of the state have been normal. In all other lines, today brings to a close a record breaking week.

Botanic Blood Balm
BBB
THE BEST BLOOD PURIFIER AND TONIC

THE REMEDY WHICH CURES CATARRH BY PURIFYING THE BLOOD AND KILLING THE GERMS.

If you have Catarrh take B. B. B.; it will drive out every bit of Catarrhal poison out of the system.

Don't neglect Catarrh! Don't let it make you into a worn-out, run-down Catarrhal wreck.

Remember Catarrh is more than a trifling ailment—more than a disgusting trouble. It's a dangerous one.

Unchecked, Catarrh too frequently destroys sight, taste and hearing, and often opens the way to Consumption.

Be warned in time. If you have Catarrh, start to cure it NOW by taking B. B. B. It cures through the blood by purifying it and building up the broken down tissues.

Don't think it can't be cured because you've tried to cure it and failed, as B. B. B. cures where other remedies fail.

DEAFNESS.
If you are gradually growing deaf or are already deaf or hard of hearing, try Botanic Blood Balm (B. B. B.). Most forms of deafness or partial deafness are caused by Catarrh, and in curing Catarrh by B. B. B. thousands have had their hearing restored.

Botanic Blood Balm (B. B. B.) is pleasant and safe to take. Thoroughly tested for 30 years. Composed of Pure Botanic Ingredients. Strengthens weak stomachs, cures indigestion. Sample sent free by writing Blood Balm Company, Atlanta, Ga. Sold by Druggists \$1 per large bottle or sent by express. Sold in Paducah, Ky., by H. W. Walker, W. J. Gilbert, Louis Hren, and Alvey & List.

will run wagons Sunday, Monday and on Christmas day in the afternoon in order to deliver packages before the day is over.

The postoffice will be open from 9 to 10 o'clock Sunday morning, and it will be well for all who can to go to the postoffice and secure packages. This will prevent the crush and delay of two days' delivery on Monday.

WHY NOT?
Why not select as a Xmas present a hearty rug. It would certainly please and the expense is so trifling, \$2.50 to \$8.00.

The joint license committee of the general council met last evening and made two changes in the license tax ordinance. The original license of \$150 for retail druggists' liquor license was reduced to \$25. Saloons pay \$150.

The license of agents for out-of-town breweries, who sell in Paducah, was raised to \$250 and the license of the Paducah Brewing company or any brewery operating in the city in the manufacture of beer, to \$150.

Heretofore out-of-town brewery agents paid \$50. The Paducah Brewing company also paid this amount.

President Gets Cats.

New York, Dec. 22.—Before Mrs. Lulu B. Grover committed suicide by taking poison, in her Harlem home, December 8, she expressed in writing a wish that the president should receive her personal property. She added the hope that Roosevelt would order the disposal of her body and take care of her pets, two mongrel cats. Today it was learned that although the president had never known the woman her wishes had been respected.

Owners of Birds Disheartened.

Because one Paducah sportsman cleaned up everything in the cock fighting line in Paducah last Friday, no cock fight will this year celebrate the holidays. There are so few chickens left and so little heart left in the owners of the defeated cocks, that to arrange a fight is said to be an impossibility. One chicken fighter got four out of six fights Friday.

The train was in charge of Engineer Hermes and Conductor Harrick. The coroner's jury returned a verdict of accidental death and laid no blame to the train crew. The body was taken to Barlow for burial. Cummins leaves a family.

A SUFFERER FROM PILES

N. S. Wilbur, Secretary Louisville Base Ball Club, After Ten Years Suffering, Is Cured by Paracamp.

HAD TRIED MANY REMEDIES

N. S. Wilbur, the popular Secretary of the Louisville Base Ball Club, says:

"I was a sufferer from Chronic Piles for a period of ten years or more, and while I used practically all of the known remedies, I received nothing but temporary relief. One night while traveling my suffering became so intense that in desperation I used Paracamp, it being the only preparation that I had with me. I did not think for a moment that I would get relief, but my condition was willing to try anything. Much to my surprise after the first application my suffering became less, I was able to go to sleep and when I awoke in the morning my pain was all gone. I applied Paracamp two or three times afterwards, not because I experienced any suffering but I feared a return of the pain.

I am glad to state, however, that the trouble has entirely disappeared and I believe myself, for the first time in over ten years cured.

I regard the effect of Paracamp in my case as simply wonderful and would not have believed it possible for a remedy to do what it has done had it not been for my actual experience with the preparation."

Paracamp positively does not contain anything that will injure the most delicate skin. It is a clean, safe, cooling, soothing, application that every one can use every day with pleasing and satisfactory results.

A trial will convince you. So get a bottle of Paracamp to-day from your druggist. We guarantee every bottle to give satisfaction. If it fails to do what we claim, go back to your druggist, the man you know, and get your money. 25c, 50c and \$1.00 bottles. The Paracamp Company, Incorporated, Louisville, Kentucky, U. S. A.

SLEEPING

GENTLY, WHILE BURGLAR RANSACKED THE HOUSE.

City Jailor Tom Evetts Finds Money Gone and Things Topsy Turvy This Morning.

Sleeping sweetly in his warm bed, and unconscious of danger in any form, City Jailor Tom Evetts was made the victim of a bold burglary last night at his home, 320 Kentucky avenue.

The burglar who entered by way of a rear door, stole \$50 from Mr. Evetts' trousers and a boy's bank containing \$3 or \$4.

When he retired Mr. Evetts' trousers were thrown carelessly on a chair. This morning when he awoke he found his trousers lying on the floor. Every drawer in the room open and furniture upset. He searched his trousers and missed his pocketbook containing \$50. His adopted son's bank, containing between \$3 and \$4, was gone, and down stairs he found the thieves had ransacked everything they left a light burning.

In the alley the empty purse and smashed bank were found. An examination showed that the thieves had prized the back door open with an iron bar.
